Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 10/2019, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
5. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identifying any impediments to fair housing choice within those programs, addressing those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and by maintaining records reflecting these analyses and actions.
7. For PHA Plans that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
10. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
11. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

12. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
13. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
14. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
15. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
16. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
17. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
18. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.

Attachment I
South Portland Housing Authority
Deconcentration Policy

It is South Portland Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments, subject to the understanding that all Authority properties by definition are "lower income." Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

South Portland Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

South Portland Housing Authority **may** offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

VIOLENCE AGAINST WOMEN ACT (VAWA)

South Portland Housing Authority's goals, objectives, policies, and programs that will enable the Authority to serve the needs of adult and child victims of domestic violence, dating violence, sexual assault, and stalking include:

In accordance with HUD regulations South Portland Housing Authority (SPHA) has implemented VAWA to insure that victims of domestic violence could either maintain their current housing with SPHA or be provided with alternative affordable housing opportunities that best fit the needs of the victim(s). SPHA employs various solutions within the guidelines set forth in the Admission and Continued Occupancy Policies (ACOP) for Public Housing and the Administrative Plan for the Section 8 Housing Choice Voucher. Some of these solutions are:

- Eviction from Public Housing or termination of Section 8 assistance for perpetrators of such acts so the victim(s) may remain in their home.
- Transfer the victim(s) from one Public Housing development to another a reasonable distance away from their present home.
- Allow for portability of Voucher assistance provide mobility of the victim(s) to an undisclosed location in other cities, counties and states throughout the country.

These solutions are often supported through and with cooperation of various agencies particularly the South Portland Police Department and other area agencies on an as needed basis such as:

- Through these Doors (formerly Family Crisis Services)
- Community Counseling Inc.
- Preble Street Resource Center
- Pine Tree Legal Assistance, Inc.
- Other Housing Authorities

These agencies play an important role to insure the victim(s) remain safe by helping them implement their legal and security options and receive medical, counseling, and/or emergency housing services as needed.

South Portland Housing Authority has made training sessions available to all SPHA staff, so that they can recognize incidents that may indicate the potential for an escalation in violence in the future. In these cases services can be introduced and resident education can take place. Section 8 staff members work closely with other housing authorities to accept the portability of HCV assistance for victims who need to relocate to other jurisdictions.

SPHA works diligently to reduce and prevent acts of domestic violence. When such acts occur, SPHA reacts quickly and proactively to insure the safety and well-being of their housing residents and clients.

SPHA regularly updates its VAWA related policies to reflect changes in Federal, State, and/or local law that provide greater protection for victims of domestic violence, dating violence, sexual assault, or stalking.

SPHA made regulatory changes to the ACOP, Administrative Plan and this statement based on the Violence Against Women Act of 2013. Certification under VAWA of 2013 was updated to reflect HUD's updated Violence Against Women Act policy and added new protections.

SPHA modified the ACOP and the Administrative Plan in response to HUD's December 2016 Final Rule on the Violence Against Women Act. SPHA enacted an emergency transfer plan based on HUD's model form for tenants requesting an emergency transfer under the VAWA regulations. SPHA also modified its policies which utilize HUD required documents to ensure that tenants and applicants are aware of their rights under VAWA and to utilize HUD's new certification form for documenting incidents of domestic violence, dating violence, sexual assault, and stalking.

As required by the VAWA Final Rule, SPHA provides Form HUD-5380 "Notice of Occupancy Rights under the Violence Against Women Act" accompanied by Form HUD-5382 "Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking, and Alternate Documentation" at every new admission, annual recertification and with every notice of denial or termination of assistance or tenancy.

Attachment IIb
South Portland Housing Authority
2019 Annual Plan

VIOLENCE AGAINST WOMEN ACT (VAWA) PROVISIONS RE: DENIAL OR TERMINATION OF ASSISTANCE

The SOUTH PORTLAND Housing Authority is committed to assisting individuals and families who have been victims of domestic violence by ensuring compliance with all aspects of the Violence Against Women Act. VAWA protections are not limited to women but cover victims regardless of sex, gender identity, or sexual orientation.

An applicant or resident will not be denied admission or terminated on the basis or as a direct result of the fact that the applicant or Resident is or has been a victim of domestic violence, dating violence, stalking or sexual assault, if the victim of such violence otherwise qualifies for admission or occupancy.

Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, or stalking, that is engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be construed as serious or repeated lease violations by the victim and will not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an affiliated individual of the tenant is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

SOUTH PORTLAND Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of domestic violence, dating violence, sexual assault or stalking to family members or affiliated individuals without terminating the assistance or evicting the victimized lawful occupants. Also, the owner or property manager may evict a lawful occupant or tenant who engages in criminal acts or threatened acts of violence, dating violence, sexual assault or stalking to family members or others without evicting other victimized lawful occupants. This is also true even if the household member is not a signatory of the lease. Under VAWA, both the SOUTH PORTLAND Housing Authority and the owner or property manager are granted the authority to bifurcate the lease. The VAWA victim must be the one who retains the assistance.

There is no limitation on the ability of the Housing Authority to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence, sexual assault or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims.

There is no prohibition on the owner evicting if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing goods or services to the property if that tenant's (victim's) tenancy is not terminated." An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily

harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Nothing in this Section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, stalking or sexual assault.

All information provided under VAWA, including the fact that an individual is a victim of domestic violence, dating violence, stalking or sexual assault, shall be retained in confidence by SOUTH PORTLAND Housing Authority and shall not be entered into any shared database or provided to any related entity except to the extent that disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for use in an eviction proceeding; or
- C. Otherwise required by applicable law.

SOUTH PORTLAND Housing Authority will provide all applicants and participants with a HUD prescribed Notice of Occupancy Rights and HUD-approved certification form, at the time of full application, admission, annual recertification, notice of denial of assistance and notice of termination of assistance. In addition, the Authority shall make an adopted Emergency Transfer Plan and Emergency Transfer Request available upon request.

The SOUTH PORTLAND Housing Authority shall keep a record of all emergency transfer requests requested under the Emergency Transfer Plan and the outcome of these requests for three years.

INCIDENTS OF DOMESTIC VIOLENCE, DATING VIOLENCE, STALKING OR SEXUAL ASSAULT

In responding to an incident or incidents of actual or threatened domestic violence, dating violence, stalking or sexual assault, South Portland Housing Authority will require that an individual making the claim document the abuse. The Authority will make the request for documentation in writing, and allow the individual 14 business days after receipt of the request to submit the documentation. The Authority may extend this time period at its discretion. The individual may satisfy the Authority's request by providing any one of the following three forms of documentation:

1. A written certification, on the HUD-approved certification form, that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in

the HUD-approved form, and must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim

2. A federal, state, tribal, territorial, or local law enforcement report or court record describing the incident or incidents in question
3. Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the professional's belief that the incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim must also sign the documentation under penalty of perjury.

The Authority may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below in cases of conflicting documentation, nor may it require certification in addition to third-party documentation.

In cases where the Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) and in accordance with any HUD guidance as to how such determinations shall be made. The Authority must honor any court orders issued to protect the victim or to address the distribution of property.

If the individual does not provide the certification within the 14 business days after receipt of the request to submit the documentation, nothing in this Section may be construed to limit the authority of a landlord to evict, or South Portland Housing Authority to terminate the tenancy or occupancy rights for, any tenant or lawful occupant that commits violations of a lease. South Portland Housing Authority may extend the 14 day deadline at its discretion.

Nothing in this subsection shall be construed to require South Portland Housing Authority to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, sexual assault, or stalking in order to receive any of the benefits provided in this section. At its discretion, South Portland Housing Authority may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

If the family break-up results from an occurrence of domestic violence, dating violence, stalking or sexual assault, the Housing Authority will ensure that the victim retains assistance. The factors to be considered in making this decision include:

1. Whether the assistance should remain with family members remaining in the original assisted unit.
2. The interest of minor children or of ill, elderly or disabled family members.
3. Whether family members are forced to leave the unit as a result of actual or threatened domestic violence, dating violence, stalking or sexual assault.
4. Whether any of the family members are receiving protection as victims of domestic violence, dating violence, stalking or sexual assault, and whether the abuser is still in the household.

Attachment IIc
South Portland Housing Authority
Emergency Transfer Plan
For Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

South Portland Housing Authority (SPHA) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),¹ SPHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.² The ability of SPHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether SPHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that South Portland Housing Authority programs are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if:

1. The tenant expressly requests the transfer; and
2. The tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying; or
3. In the case of a tenant who is a victim of sexual assault, either the tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains in the same dwelling unit that the tenant is currently occupying, or the sexual assault occurred on the premises within the 90-calendar-day period preceding the date of the request for transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

¹ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify SPHA's management office and submit a written request for a transfer. SPHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under SPHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Acceptable documentation of the occurrence of domestic violence, dating violence, sexual assault or stalking must be provided if resident has not previously provided such documentation. Acceptable documentation includes any one of the following forms of verification:

1. A written certification, on the HUD-approved certification form, that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim.
2. A federal, state, tribal, territorial, or local police report or court record describing the incident or incidents in question.
3. Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the professional's belief that the incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim must also sign the documentation under penalty of perjury.

The Authority may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below in cases of conflicting documentation, nor may it require certification in addition to third-party documentation.

In cases where the Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, SPHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) and in accordance with any HUD guidance as to how such determinations shall be made. If you fail or refuse to provide third-party documentation

where there is conflicting evidence, Landlord does not have to provide you with the protections contained in this notice.

Nothing in this subsection shall be construed to require South Portland Housing Authority to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, sexual assault, or stalking in order to receive any of the benefits provided in this section. At its discretion, South Portland Housing Authority may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

Confidentiality

SPHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives SPHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act for All Tenants for more information about SPHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

SPHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. An emergency transfer request does not guarantee continued assistance or an external transfer to other HUD housing. SPHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. SPHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If SPHA has no safe and available units for which a tenant who needs an emergency is eligible, SPHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, SPHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency transfers may be defined as an internal transfer or as an external transfer depending on the circumstances surrounding the request. Tenants or Participants can seek both internal and external emergency transfers simultaneously if a safe unit is not immediately available. A unit is considered safe if the victim of domestic violence, dating violence, sexual assault, or stalking believes it is safe.

Internal emergency transfers refer to an emergency relocation of a resident to another unit where the resident would not be categorized as a new applicant. The resident may reside in the new unit

without having to undergo an application process. Internal emergency transfers generally are only available within the community in which the Resident is residing.

Immediately available unit is defined as a vacant, move-in ready unit.

Residents of SPHA owned and/or managed properties:

○ Internal Emergency Transfers

If another unit is available for which the participant qualifies, the participant will be presented with an offer to transfer. If a resident reasonably believes a proposed transfer would not be safe, the resident may request a transfer to a different unit. Transfers for these reasons will take priority over all other transfer requests including those made to accommodate a disability and to address over- or under-utilization of a unit.

○ External Emergency Transfers

While SPHA owns and manages other properties within the area, they are comprised of multiple types of housing programs and each (1) has its own wait lists and (2) is subject to its own rules, regulations and eligibility requirements. As such, SPHA must process VAWA emergency transfer requests, from one type of housing program to another, as external transfers. The transferring resident will be required to apply and meet eligibility criteria. The participant will be placed on the waitlist with the date and time they were approved for an emergency transfer. Emergency transfers will not take priority over waiting list admissions for these programs.

Tenant-Based Housing Choice Voucher Participants:

○ Internal Emergency Transfers

A voucher will be issued to the tenant-based Housing Choice Voucher participant, if they qualify for an emergency transfer, to search for another unit. The participant must notify their current Landlord of their need to move and provide them with written documentation certifying that they meet the criteria for an emergency transfer under VAWA, before they can be approved to be transferred/moved. At the request of the participant, SPHA will assist them in their communication with their current Landlord on their need to move from their unit as quickly as possible. SPHA will provide the participant with any known information on available units in the area and/or assist the participant with information about the portability process if they choose to move to another jurisdiction.

○ External Emergency Transfers

Tenant-Based Housing Choice Voucher participants may also request an emergency transfer under another SPHA housing program, for which they will be required to apply and meet eligibility criteria. The participant will be placed on the waitlist with the date and time they were approved for an emergency transfer. Emergency transfers will not take priority over waiting list admissions for these programs.

Project-Based Voucher Participants:

○ Internal Emergency Transfers

If another Project-Based voucher unit is available for which the participant qualifies, the participant will be presented with an offer to transfer. If a participant reasonably believes a proposed transfer on the same site would not be safe, or if there are not any Project-Based units available, and the participant has been on the PBV program for at least one year, the participant will be issued a Tenant-Based Housing Choice Voucher as long as funding is available. Transfers for these reasons will take priority over all other transfer requests including those made to accommodate a disability and to address over- or under-utilization of a unit.

○ External Emergency Transfers

If there are not any Project-Based voucher units available, or the participant has been on the PBV program for less than one year, the participant may request an emergency transfer to another SPHA housing program (including the Tenant-Based Housing Choice Voucher program) for which they will be required to apply and meet eligibility criteria. The participant will be placed on the waitlist with the date and time they were approved for an emergency transfer. Emergency transfers will not take priority over waiting list admissions for these programs.

Additional Assistance

If SPHA has no safe and available units for which a resident who needs an emergency transfer is eligible, SPHA will assist the resident in identifying other housing providers who may have safe and available units to which the resident could possibly move.

At residents' request, SPHA will also assist residents in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

NOTICE OF OCCUPANCY RIGHTS UNDER
THE VIOLENCE AGAINST WOMEN ACT

U.S. Department of Housing and Urban Development
OMB Approval No. 2577-0286
Expires 06/30/2017

South Portland Housing Authority

Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.² The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that the South Portland Housing Authority is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

Protections for Applicants

If you otherwise qualify for assistance under South Portland Housing Authority’s housing programs, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under South Portland Housing Authority’s housing programs, you may not be denied assistance, terminated from participation, or be evicted from your rental

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under South Portland Housing Authority's housing programs solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

Removing the Abuser or Perpetrator from the Household

HP may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If HP chooses to remove the abuser or perpetrator, HP may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, HP must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, HP must follow Federal, State, and local eviction procedures. In order to divide a lease, HP may, but is not required to, ask you for

documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, HP may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, HP may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- (1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
- (2) You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.
- (3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

HP will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

HP's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

HP can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from HP must be in writing, and HP must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. HP may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to HP as documentation. It is your choice which of the following to submit if HP asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by HP with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, HP does not have to provide you with the protections contained in this notice.

If HP receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HP has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, HP does not have to provide you with the protections contained in this notice.

Confidentiality

HP must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

HP must not allow any individual administering assistance or other services on behalf of HP (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

HP must not enter your information into any shared database or disclose your information to any other entity or individual. HP, however, may disclose the information provided if:

- You give written permission to HP to release the information on a time limited basis.
- HP needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires HP or your landlord to release the information.

VAWA does not limit HP's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, HP cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if HP can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If HP can demonstrate the above, HP should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to

additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

Non-Compliance with The Requirements of This Notice

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with the Manchester HUD Field Office at 603-666-7510, or for persons with hearing impairments, 603-666-7518 (TTY).
