B.1 Revision of Existing PHA Plan Elements

Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions

Exhibit 1 – Deconcentration Policy

FYB October 1, 2026

It is South Portland Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments, subject to the understanding that all Authority properties by definition are “lower income.” Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

South Portland Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

South Portland Housing Authority **may** offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Exhibit 4 - Substantial Deviation/Significant Amendment/Modification FYB October 1, 2026

SPHA currently uses the following definitions of a substantial deviation, significant amendment and/or modification. There are no changes to these definitions.

Significant amendments, modifications or substantial deviations are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives or agency plans requiring the Board of Commissioners' formal approval. This includes a substantial change in the direction pertaining to its goals and objectives or changes that would significantly impact rent, admission policies, or organization of the waiting list(s) in the Housing Choice Voucher Program. An exception to this definition will be made for any new activities that are adopted to reflect changes in HUD regulatory requirements or as a result of a declared emergency (such changes will not be considered significant amendments or modifications by SPHA).

B.2 New Activities

Exhibit 5 - Project-Based Vouchers

A Housing Authority may provide project-based assistance for up to 20 percent of its Consolidated Annual Contributions Contract (ACC) authorized units, and may project base an additional 10% of their authorized units for projects that serve households who are homeless; include a veteran; provide supportive housing for persons who have a disability or who are elderly; or are in a census tract with a poverty rate of 20% or less.

The Authority intends to project-base up to the maximum 30% of its ACC authorized units. The general location of these PBV's is expected to be within the City of South Portland, Town of Scarborough and surrounding areas within York and Cumberland counties. This is consistent with our annual plan and goal to expand the supply of assisted housing and improve voucher utilization.

South Portland Housing has currently committed **46 units** of its available PBV authority and intends to project-base an additional **71 units** over the next five (5) to ten (10) years.

Currently under PBV HAP contract = 38

- 20 - Betsy Ross House
- 9 - Thornton Heights Commons
- 9 - Jocelyn Place

Covered by a notice of proposal selection (24 CFR §983.51(d)) = 0

B.3 Progress Report

Progress Report on 2025-2029 5-Year Annual Plan

Exhibit 6 - Goals and Objectives FYB October 1, 2026

1. **PHA Goal:** Expand the supply of affordable housing by working with local municipalities to promote and develop additional housing options through our affiliated non-profit entities.

Progress:

- **Betsy Ross Crossing:** The project is a 53-unit senior (55+) multifamily building located in South Portland, Maine. The project is adjacent to the existing 123-unit Betsy Ross House. Betsy Ross Crossing is funded through LIHTC, MaineHousing, and leveraged funds. The project is complete and was fully leased in 2025.
- **Landry Woods:** The project is a 43-unit senior (55+) multifamily building located in South Portland, Maine. The project is located on vacant land within the Authority's existing Landry Village community. The project is being funded through LIHTC, MaineHousing, non-federal, leveraged funds, and Project Based Vouchers. SPHA received HUD SAC approval and disposed of the land necessary for the project. Construction began in December 2024 with an expected initial occupancy in July 2026.
- **Sunset Place:** The Authority partnered with Habitat for Humanity for the construction of 9 single-family homes on individual house lots. The house lots sold to Habitat and subsequently sold to qualified households making no more than 80% of the area median income. The project was completed in 2025.
- **Landry Heights:** The project is a 38-unit senior (55+) multifamily building located in South Portland, Maine. The project is located on vacant land within the Authority's existing Landry Village community. The project will be funded through the LIHTC program and possibly with Section 8 Project Based Vouchers. Funding commitments have been obtained and construction is scheduled to begin in 2026.
- **Little Dolphin Drive:** The project will be a 40 to 60 unit senior (55+) multifamily building located in Scarborough, Maine. The project will be funded through the LIHTC program and possibly with Section 8 Project Based Vouchers. The project will not likely start construction until 2028.
- **Housing 1st:** The SPHA has been selected to work with MaineHousing to construct a new Housing 1st building in South Portland, Maine. The building will be for those experiencing chronic homelessness. Funding will be via the LIHTC program, Section

8 Project Based Vouchers, and State subsidy. Construction is expected to commence in 2027.

- **675 Main Street:** The project will consist of two (2) forty-unit multifamily buildings. It is anticipated that the buildings will not be age restricted. Funding requests and construction will be completed in two (2) separate phases. It is anticipated that funding will be via the LIHTC program, state/federal subsidy, and possibly Section 8 Project Based Vouchers. The goal is to obtain funding approval in 2027 and commence construction in 2028.

2. **PHA Goal:** Maintain our high-performer status under SEMAP.

Progress: The Authority continues to train staff and conduct internal reviews to ensure efficient and accurate program administration. SPHA achieved high-performer status on its most recent SEMAP submission.

3. **PHA Goal:** Explore the option and feasibility of Faircloth-to-RAD to develop up to 292 housing units using HUD's public housing mixed-finance program with preapproval to convert the property to a long-term Section 8 contract following construction.

Progress: As part of SPHA's RAD Public Housing to Section 8 portfolio conversion, the PHA is eligible for Faircloth-to-RAD funding and intends to use this funding for the development of new rent-restricted apartments. Upon completion, units will convert from Public Housing to the Section 8 program. SPHA's goal is to obtain a funding commitment in 2026 for building construction in 2026 and 2027.

4. **PHA Goal:** Maintain high occupancy rates in the Project-Based Voucher (PBV) portfolio while continuing to expand the PBV program to preserve and create additional affordable housing in South Portland, Scarborough and the surrounding area.

Progress: The South Portland Housing Authority maintains 97-100% occupancy rates in the Project-Based Voucher portfolio. The PBV program continues to grow as evident in other goals and objectives progress reports.

5. **PHA Goal:** Increase housing opportunities by exploring feasibility of administering special voucher types, including the HCV homeownership program.

Progress: The South Portland Housing Authority will continue to entertain special voucher types, though recent notices of special voucher type terminations and current funding instability warrants caution.

6. **PHA Goal:** Continue to administer a Housing Navigation Program to support individuals and families experiencing homelessness in the local area.

Progress: Funding for the Housing Navigation Program ended in 2025. SPHA continued administering the program to fulfill existing contractual obligations with enrolled participants.

**South Portland Housing Authority
VAWA Statement**

VIOLENCE AGAINST WOMEN ACT (VAWA)

South Portland Housing Authority's goals, objectives, policies, and programs that will enable the Authority to serve the needs of adult and child victims of domestic violence, dating violence, human trafficking, sexual assault, and stalking include:

In accordance with HUD regulations South Portland Housing Authority (SPHA) has implemented VAWA to insure that victims of domestic violence could either maintain their current housing with SPHA or be provided with alternative affordable housing opportunities that best fit the needs of the victim(s). SPHA employs various solutions within the guidelines set forth in the Admission and Continued Occupancy Policies (ACOP) for Public Housing and the Administrative Plan for the Section 8 Housing Choice Voucher. Some of these solutions are:

- Eviction from Public Housing or termination of Section 8 assistance for perpetrators of such acts so the victim(s) may remain in their home.
- Transfer the victim(s) from one Public Housing development to another a reasonable distance away from their present home.
- Allow for portability of Voucher assistance provide mobility of the victim(s) to an undisclosed location in other cities, counties and states throughout the country.

These solutions are often supported through and with cooperation of various agencies particularly the South Portland Police Department and other area agencies on an as needed basis such as:

- Family Crisis Services through the Maine Coalition to End Domestic Violence
- Community Counseling Inc.
- Preble Street Resource Center
- Pine Tree Legal Assistance, Inc.
- Other Housing Authorities

These agencies play an important role to insure the victim(s) remain safe by helping them implement their legal and security options and receive medical, counseling, and/or emergency housing services as needed.

South Portland Housing Authority has made training sessions available to all SPHA staff, so that they can recognize incidents that may indicate the potential for an escalation in violence in the future. In these cases services can be introduced and resident education can take place. Section 8 staff members work closely with other housing authorities to accept the portability of HCV assistance for victims who need to relocate to other jurisdictions.

SPHA works diligently to reduce and prevent acts of domestic violence. When such acts occur, SPHA reacts quickly and proactively to insure the safety and well-being of their housing residents and clients.

SPHA regularly updates its VAWA related policies to reflect changes in Federal, State, and/or local law that provide greater protection for victims of domestic violence, dating violence, human trafficking, sexual assault, or stalking.

SPHA made regulatory changes to the ACOP, Administrative Plan and this statement based on the Violence Against Women Act of 2013. Certification under VAWA of 2013 was updated to reflect HUD's updated Violence Against Women Act policy and added new protections.

SPHA modified the ACOP and the Administrative Plan in response to HUD's December 2016 Final Rule on the Violence Against Women Act. SPHA enacted an emergency transfer plan based on HUD's model form for tenants requesting an emergency transfer under the VAWA regulations. SPHA also modified its policies which utilize HUD required documents to ensure that tenants and applicants are aware of their rights under VAWA and to utilize HUD's new certification form for documenting incidents of domestic violence, dating violence, human trafficking, sexual assault, and stalking.

As required by the VAWA Final Rule, SPHA provides Form HUD-5380 "Notice of Occupancy Rights under the Violence Against Women Act" accompanied by Form HUD-5382 "Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking, and Alternate Documentation" at every new admission, annual recertification and with every notice of denial or termination of assistance or tenancy.

**South Portland Housing Authority
VAWA Procedures**

**VIOLENCE AGAINST WOMEN ACT (VAWA) PROVISIONS RE: DENIAL OR
TERMINATION OF ASSISTANCE**

The SOUTH PORTLAND Housing Authority is committed to assisting individuals and families who have been victims of domestic violence by ensuring compliance with all aspects of the Violence Against Women Act. VAWA protections are not limited to women but cover victims regardless of sex, gender identity, or sexual orientation.

An applicant or resident will not be denied admission or terminated on the basis or as a direct result of the fact that the applicant or Resident is or has been a victim of domestic violence, dating violence, human trafficking, stalking or sexual assault, if the victim of such violence otherwise qualifies for admission or occupancy.

Any incidents of, or criminal activity related to, domestic violence, dating violence, human trafficking, sexual assault, or stalking, that is engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be construed as serious or repeated lease violations by the victim and will not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an affiliated individual of the tenant is the victim or threatened victim of the domestic violence, dating violence, human trafficking, sexual assault, or stalking.

SOUTH PORTLAND Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of domestic violence, dating violence, human trafficking, sexual assault or stalking to family members or affiliated individuals without terminating the assistance or evicting the victimized lawful occupants. Also, the owner or property manager may evict a lawful occupant or tenant who engages in criminal acts or threatened acts of violence, dating violence, human trafficking, sexual assault or stalking to family members or others without evicting other victimized lawful occupants. This is also true even if the household member is not a signatory of the lease. Under VAWA, both the SOUTH PORTLAND Housing Authority and the owner or property manager are granted the authority to bifurcate the lease. The VAWA victim must be the one who retains the assistance.

There is no limitation on the ability of the Housing Authority to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence, human trafficking, sexual assault or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims.

There is no prohibition on the owner evicting if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing goods or services to the property if that tenant's (victim's) tenancy is not terminated." An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the

likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Nothing in this Section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, human trafficking, stalking or sexual assault.

All information provided under VAWA, including the fact that an individual is a victim of domestic violence, dating violence, human trafficking, stalking or sexual assault, shall be retained in confidence by SOUTH PORTLAND Housing Authority and shall not be entered into any shared database or provided to any related entity except to the extent that disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for use in an eviction proceeding; or
- C. Otherwise required by applicable law.

SOUTH PORTLAND Housing Authority will provide all applicants and participants with a HUD prescribed Notice of Occupancy Rights and HUD-approved certification form, at the time of full application, admission, annual recertification, notice of denial of assistance and notice of termination of assistance. In addition, the Authority shall make an adopted Emergency Transfer Plan and Emergency Transfer Request available upon request.

The SOUTH PORTLAND Housing Authority shall keep a record of all emergency transfer requests requested under the Emergency Transfer Plan and the outcome of these requests for three years.

INCIDENTS OF DOMESTIC VIOLENCE, DATING VIOLENCE, HUMAN TRAFFICKING, STALKING OR SEXUAL ASSAULT

In responding to an incident or incidents of actual or threatened domestic violence, dating violence, human trafficking, stalking or sexual assault, South Portland Housing Authority will require that an individual making the claim document the abuse. The Authority will make the request for documentation in writing, and allow the individual 14 business days after receipt of the request to submit the documentation. The Authority may extend this time period at its discretion. The individual may satisfy the Authority's request by providing any one of the following three forms of documentation:

1. A written certification, on the HUD-approved certification form, that the individual is a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and must include the name of the

- perpetrator only if the name of the perpetrator is safe to provide and is known to the victim
2. A federal, state, tribal, territorial, or local law enforcement report or court record describing the incident or incidents in question
 3. Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, human trafficking, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the professional's belief that the incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim must also sign the documentation under penalty of perjury.

The Authority may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below in cases of conflicting documentation, nor may it require certification in addition to third-party documentation.

In cases where the Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) and in accordance with any HUD guidance as to how such determinations shall be made. The Authority must honor any court orders issued to protect the victim or to address the distribution of property.

If the individual does not provide the certification within the 14 business days after receipt of the request to submit the documentation, nothing in this Section may be construed to limit the authority of a landlord to evict, or South Portland Housing Authority to terminate the tenancy or occupancy rights for, any tenant or lawful occupant that commits violations of a lease. South Portland Housing Authority may extend the 14 day deadline at its discretion.

Nothing in this subsection shall be construed to require South Portland Housing Authority to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking in order to receive any of the benefits provided in this section. At its discretion, South Portland Housing Authority may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

If the family break-up results from an occurrence of domestic violence, dating violence, human trafficking, stalking or sexual assault, the Housing Authority will ensure that the victim retains assistance. The factors to be considered in making this decision include:

1. Whether the assistance should remain with family members remaining in the original assisted unit.
2. The interest of minor children or of ill, elderly or disabled family members.
3. Whether family members are forced to leave the unit as a result of actual or threatened domestic violence, dating violence, human trafficking, stalking or sexual assault.
4. Whether any of the family members are receiving protection as victims of domestic violence, dating violence, human trafficking, stalking or sexual assault, and whether the abuser is still in the household.

Emergency Transfer Plan
For Victims of Domestic Violence, Dating Violence, Sexual Assault, Human
Trafficking or Stalking**

Emergency Transfers

South Portland Housing Authority (SPHA) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, human trafficking, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),¹ SPHA allows tenants who are victims of domestic violence, dating violence, human trafficking, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.² The ability of SPHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking, and on whether SPHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that South Portland Housing Authority programs are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if:

1. The tenant expressly requests the transfer; and
2. The tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same dwelling unit that the tenant is currently occupying; or
3. In the case of a tenant who is a victim of sexual assault, either the tenant reasonably believes there is a threat of imminent harm from further violence if the tenant remains in the same dwelling unit that the tenant is currently occupying, or the sexual assault occurred on the premises within the 90-calendar-day period preceding the date of the request for transfer.

¹ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, human trafficking, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify SPHA's management office and submit a written request for a transfer. SPHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under SPHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Acceptable documentation of the occurrence of domestic violence, dating violence, human trafficking, sexual assault or stalking must be provided if resident has not previously provided such documentation. Acceptable documentation includes any one of the following forms of verification:

1. A written certification, on the HUD-approved certification form, that the individual is a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim.
2. A federal, state, tribal, territorial, or local police report or court record describing the incident or incidents in question.
3. Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, human trafficking, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the professional's belief that the incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim must also sign the documentation under penalty of perjury.

The Authority may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below in cases of conflicting documentation, nor may it require certification in addition to third-party documentation.

In cases where the Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, SPHA may determine which is the true

victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) and in accordance with any HUD guidance as to how such determinations shall be made. If you fail or refuse to provide third-party documentation where there is conflicting evidence, Landlord does not have to provide you with the protections contained in this notice.

Nothing in this subsection shall be construed to require South Portland Housing Authority to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking in order to receive any of the benefits provided in this section. At its discretion, South Portland Housing Authority may provide benefits to an individual based solely on the individual's statement or other corroborating evidence.

Confidentiality

SPHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives SPHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, human trafficking, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act for All Tenants for more information about SPHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, human trafficking, sexual assault, or stalking.

Emergency Transfer Timing and Availability

SPHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. An emergency transfer request does not guarantee continued assistance or an external transfer to other HUD housing. SPHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. SPHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If SPHA has no safe and available units for which a tenant who needs an emergency is eligible, SPHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, SPHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, human trafficking, sexual assault, or stalking that are attached to this plan.

Emergency transfers may be defined as an internal transfer or as an external transfer depending on the circumstances surrounding the request. Tenants or Participants can seek both internal and external emergency transfers simultaneously if a safe unit is not immediately available. A unit is considered safe if the victim of domestic violence, dating violence, human trafficking, sexual assault, or stalking believes it is safe.

Internal emergency transfers refer to an emergency relocation of a resident to another unit where the resident would not be categorized as a new applicant. The resident may reside in the new unit without having to undergo an application process. Internal emergency transfers generally are only available within the community in which the Resident is residing.

Immediately available unit is defined as a vacant, move-in ready unit.

Residents of SPHA owned and/or managed properties:

- Internal Emergency Transfers
If another unit is available for which the participant qualifies, the participant will be presented with an offer to transfer. If a resident reasonably believes a proposed transfer would not be safe, the resident may request a transfer to a different unit. Transfers for these reasons will take priority over all other transfer requests including those made to accommodate a disability and to address over- or under-utilization of a unit.
- External Emergency Transfers
While SPHA owns and manages other properties within the area, they are comprised of multiple types of housing programs and each (1) has its own wait lists and (2) is subject to its own rules, regulations and eligibility requirements. As such, SPHA must process VAWA emergency transfer requests, from one type of housing program to another, as external transfers. The transferring resident will be required to apply and meet eligibility criteria. The participant will be placed on the waitlist with the date and time they were approved for an emergency transfer. Emergency transfers will not take priority over waiting list admissions for these programs.

Tenant-Based Housing Choice Voucher Participants:

- Internal Emergency Transfers
A voucher will be issued to the tenant-based Housing Choice Voucher participant, if they qualify for an emergency transfer, to search for another unit. The participant must notify their current Landlord of their need to move and provide them with written documentation certifying that they meet the criteria for an emergency transfer under VAWA, before they can be approved to be transferred/moved. At the request of the participant, SPHA will assist them in their communication with their current Landlord on their need to move from their unit as quickly as possible. SPHA will provide the participant with any known information on available units in the area and/or assist the participant with information about the portability process if they choose to move to another jurisdiction.
- External Emergency Transfers
Tenant-Based Housing Choice Voucher participants may also request an emergency transfer under another SPHA housing program, for which they will be required to apply and meet eligibility criteria. The participant will be placed on the waitlist with the date and time they were approved for an emergency transfer. Emergency transfers will not take priority over waiting list admissions for these programs.

Project-Based Voucher Participants:

- Internal Emergency Transfers
If another Project-Based voucher unit is available for which the participant qualifies, the participant will be presented with an offer to transfer. If a participant reasonably believes a proposed transfer on the same site would not be safe, or if there are not any Project-Based units available, and the participant has been on the PBV program for at least one year, the participant will be issued a Tenant-Based Housing Choice Voucher as long as funding is available. Transfers for these reasons will take priority over all other transfer requests including those made to accommodate a disability and to address over- or under-utilization of a unit.
- External Emergency Transfers

If there are not any Project-Based voucher units available, or the participant has been on the PBV program for less than one year, the participant may request an emergency transfer to another SPHA housing program (including the Tenant-Based Housing Choice Voucher program) for which they will be required to apply and meet eligibility criteria. The participant will be placed on the waitlist with the date and time they were approved for an emergency transfer. Emergency transfers will not take priority over waiting list admissions for these programs.

Additional Assistance

If SPHA has no safe and available units for which a resident who needs an emergency transfer is eligible, SPHA will assist the resident in identifying other housing providers who may have safe and available units to which the resident could possibly move.

At residents' request, SPHA will also assist residents in contacting the local organizations offering assistance to victims of domestic violence, dating violence, human trafficking, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.
